

AMUZMA DC2200

AMUZMA[®]

**YOUR VISION,
OUR MACHINES**

Dust Collector

Amuzma DC2200

Efficient Extraction. Compact Design. Clean Results.

The DC2200 is a compact and reliable dust collector, perfect for light to moderate use in smaller workshops. It offers consistent suction, a space-saving design, and an easy bag-change system—ideal for hobbyists, small businesses, and schools.
